

# Prasanna

I'm Prasanna, diving into my first year of B.Tech in Computer Science and Engineering at MIT, Manipal. Chess, music, and drawing are my go-to passions. Oh, and speaking of tech, I'm exploring the vast world of web development, tinkering with languages like C++, C, Python, HTML, CSS, and JS along the way!

### GitHub

## Education

2023-

### B.tech

Computer Science and  
Engineering

MIT, Manipal

## Expertise

- UI/UX
- Web Development
- C , C++
- HTML,CSS,JS
- Git ,GitHub

## Language

English

Hindi

Kannada

## Experience

### ○ C,C++

Working professionally with C and C++ for over a year has provided me with a deep understanding of their syntax, data structures, algorithms

### ○ Front End Development

I've designed and developed multiple web pages using HTML, CSS, and JavaScript, focusing on creating engaging and responsive user interfaces.

### ○ Student Clubs

Being an active member of prestigious technical clubs like IECSE and MIST in Manipal has enriched my journey. It's within these clubs that I've not only honed technical skills but also cultivated teamwork, leadership, and problem-solving abilities

## Skills

### ○ Team work and collaboration

### ○ Multitasking Abilities

### ○ Organization and Time management

### ○ Problem Solving
